LIVE IN THE VIBRANT NEW CBD

WELCOME TO KL ECO CITY

ViiA Residences sits within KL Eco City, a 25-acre integrated development consisting of commercial offices, residential towers, a retail podium and a hotel. This prestigious masterplan is well poised to emerge as the new Central Business District.

LIFESTYLE

KL Eco City is the new shopping destination for Bangsar and its surrounding areas. A 4-storey retail podium is just steps away offering a wide array of contemporary brands.

BUSINESS

This upscale location is set to become a prime enclave with over 3 million sq. ft. of grade-A office spaces benchmarked as green buildings.

ENVIRONMENT

Landscaped green areas within the development provide a sustainable environment for work, relaxation and communal interaction.

HOTEL CONVENIENCES

AT YOUR DOORSTEP

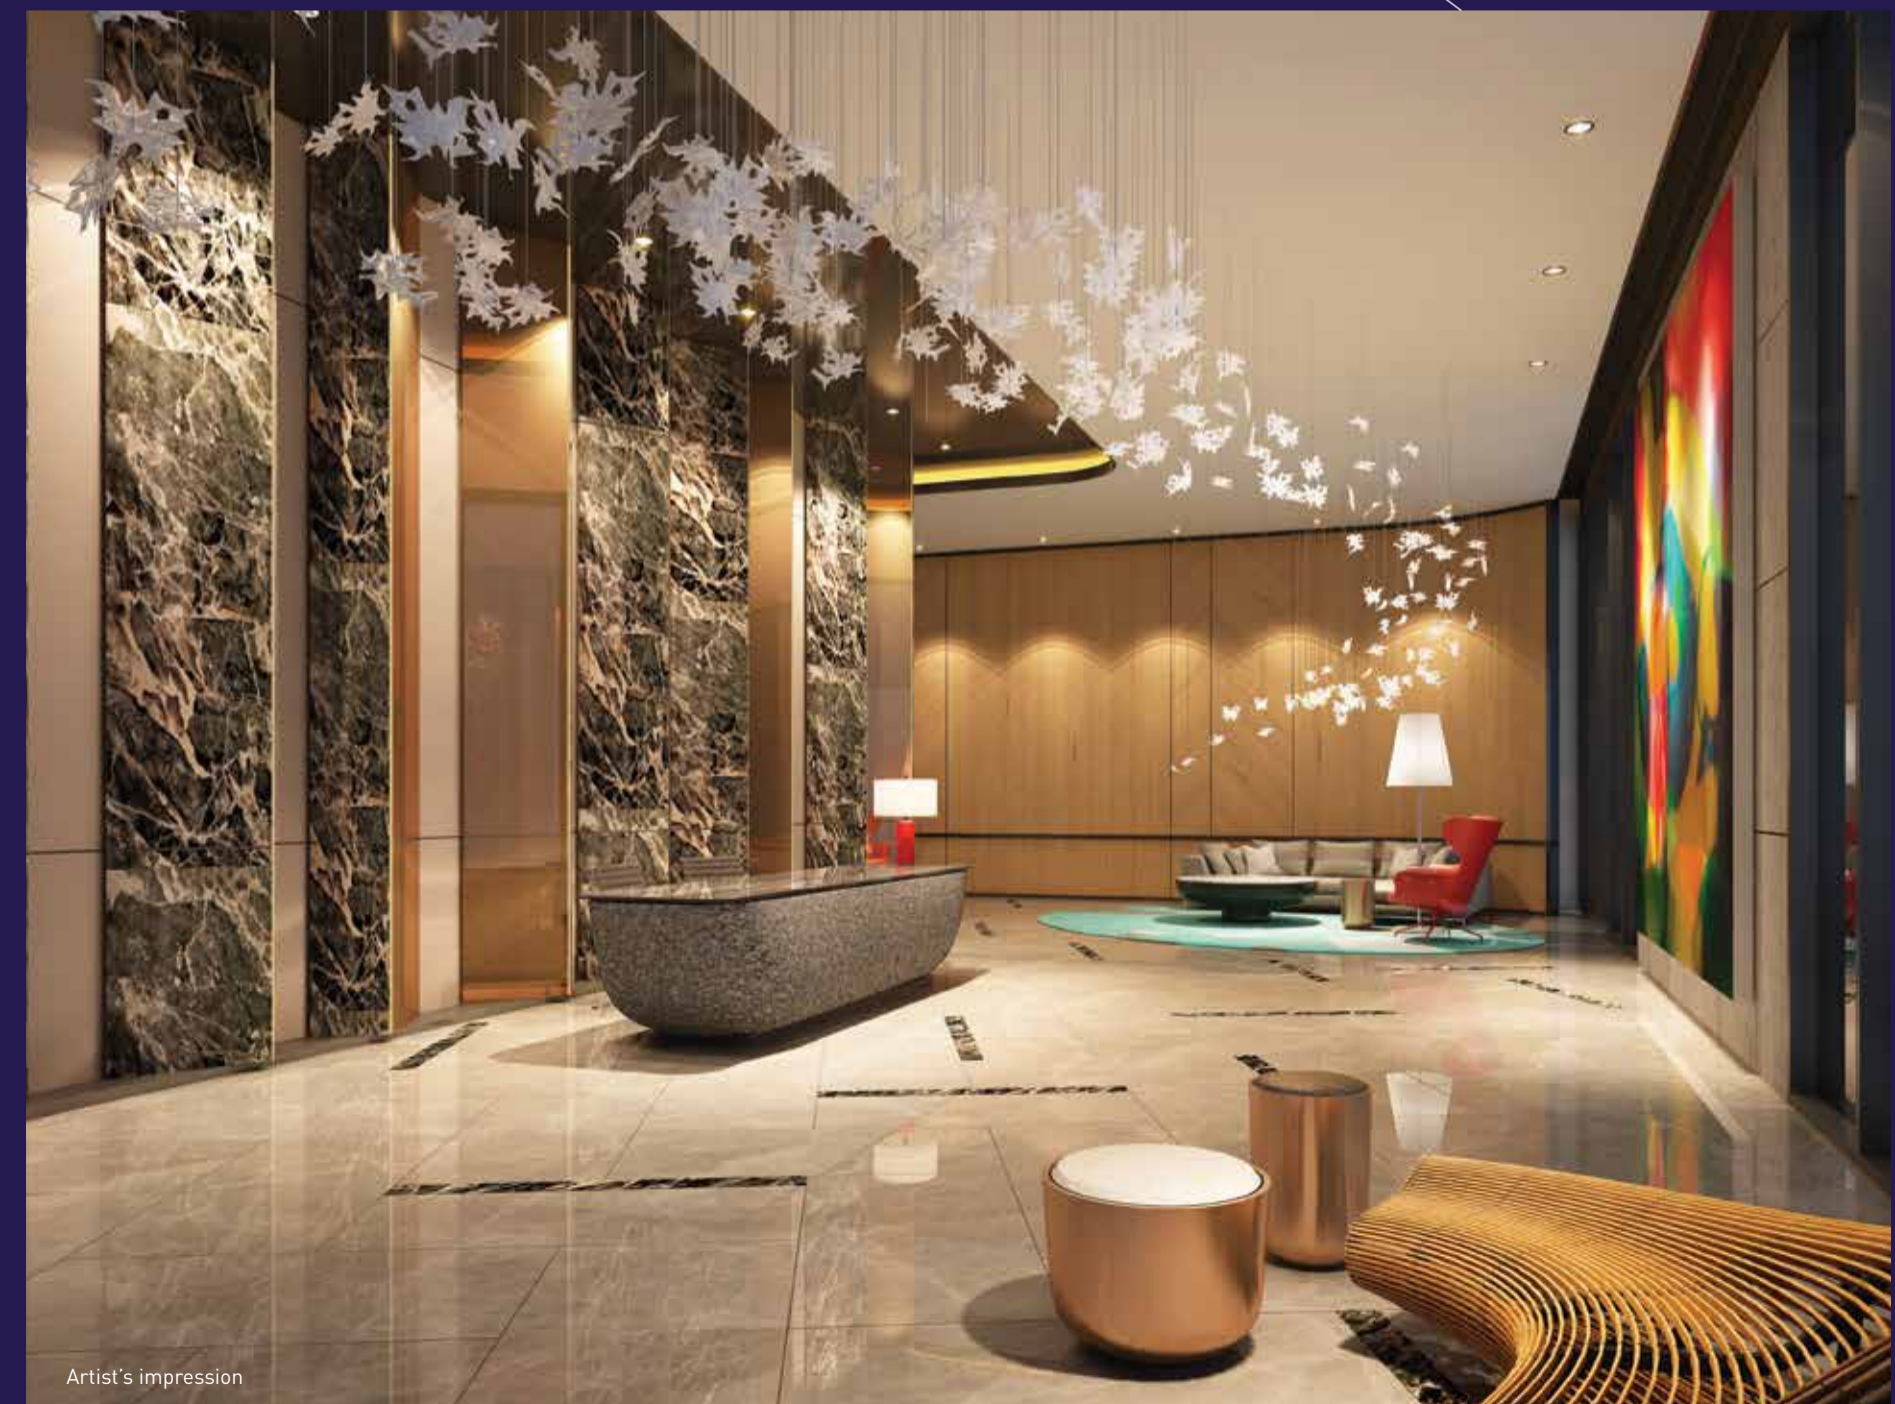

ViiA Residences adjoins a premier hotel, placing an assortment of hospitality services close by. This provides the opportunity for residents to host their guests in comfort and convenience or to simply revel in diverse culinary selections within a chic setting.

BRAND NEW LIFESTYLE PERSPECTIVES

AN EXPRESSION OF VIBRANT LUXURY

Upon arrival, vibrant living comes to life at ViiA Residences with its grand and stylish lobby. A secured citadel allowing only the privileged to enter into a world of elegance and class.

Artist's impression

THE ART OF SPACE

CONTEMPORARY BY DESIGN

The luxury lounge at level 3 equipped with audio-visual systems allows residents to unwind with friends and family. Here, activities are extended beyond one's own living room.

INFINITE RELAXATION

NEVER A DULL MOMENT

ViiA Residences embodies leisure and relaxation with its comprehensive facilities. Escape the hustle and bustle to enjoy coming home to a multitude of attractions at the rooftop such as an infinity sky pool, a jacuzzi and a pool lounge set against the city skyline.

MADE FOR BEAUTIFUL MOMENTS

SPACES FOR CONVERSATIONS

For celebrations or private parties, ViiA Residences has the perfect ambience at dedicated spaces like the gourmet lounge and BBQ area. Explore your culinary skills at the fitted kitchen and take your guests on a personalized gastronomic adventure, while savouring these special occasions together.

WELLNESS OF BEING

IDEAL FOR ALL FITNESS AMBITIONS

Exclusive to residents, both indoor and outdoor amenities are provided on multiple levels to invigorate a balanced lifestyle.

This includes a gym, yoga deck, dance studio, sauna and steam bath on level 40 as well as a rock climbing zone on level 22.

LAVISH LIVING

ELEVATED INDULGENCES

ViiA Residences presents an elevated perspective, overlooking the hillscapes of the prestigious Bangsar neighborhood.

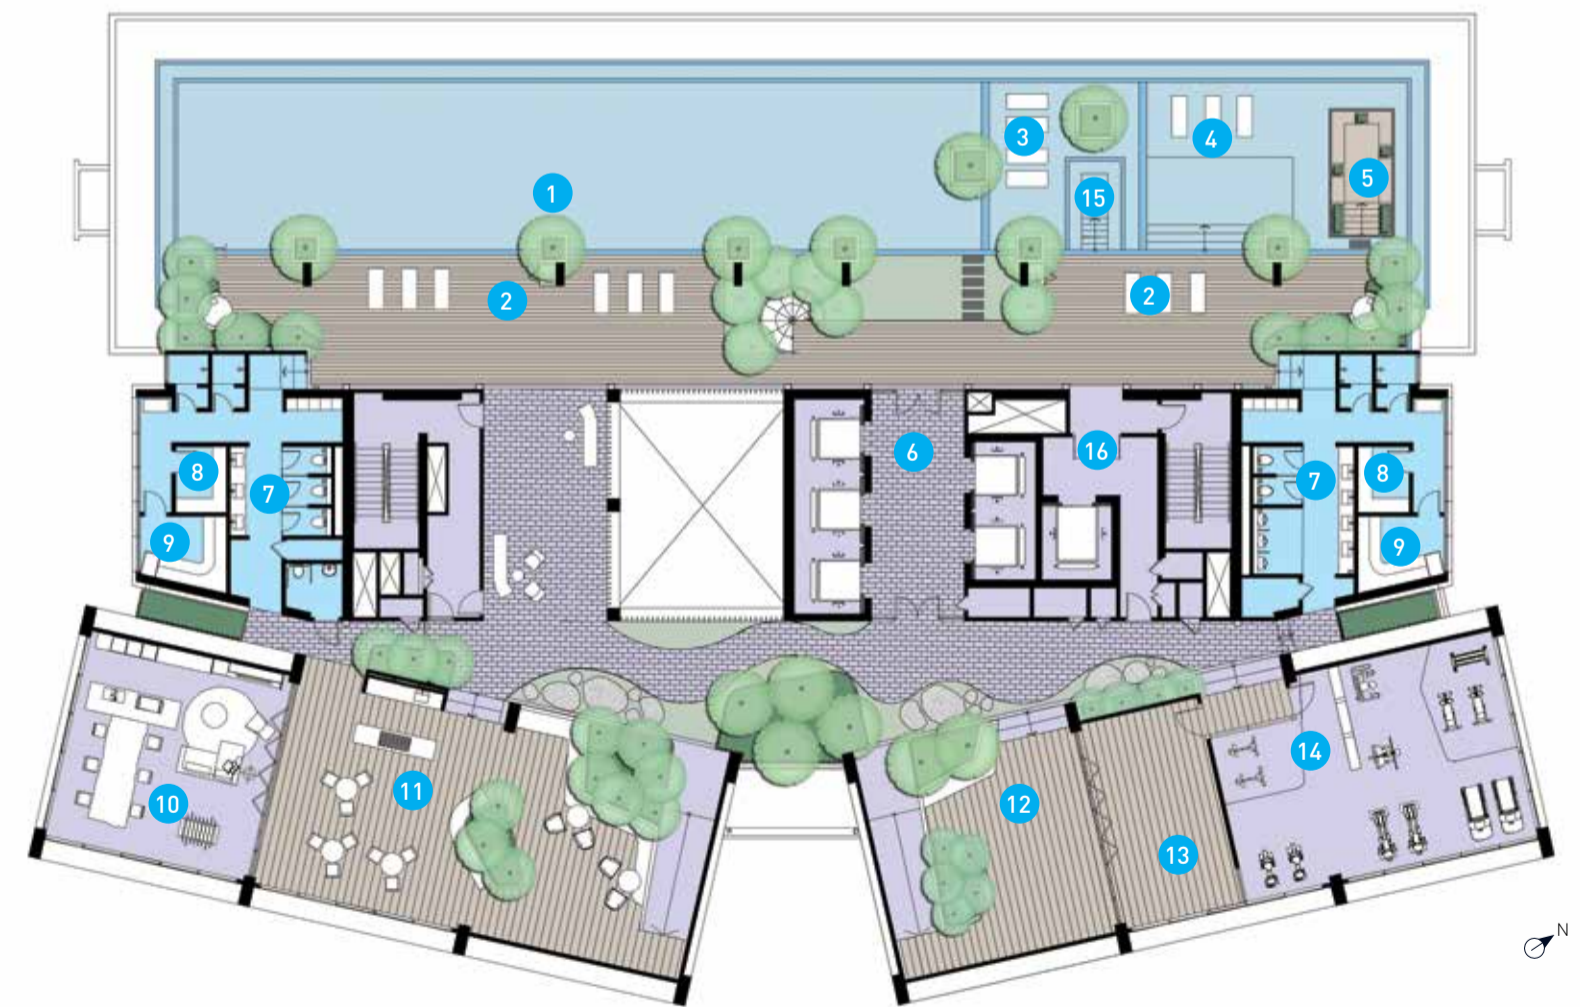

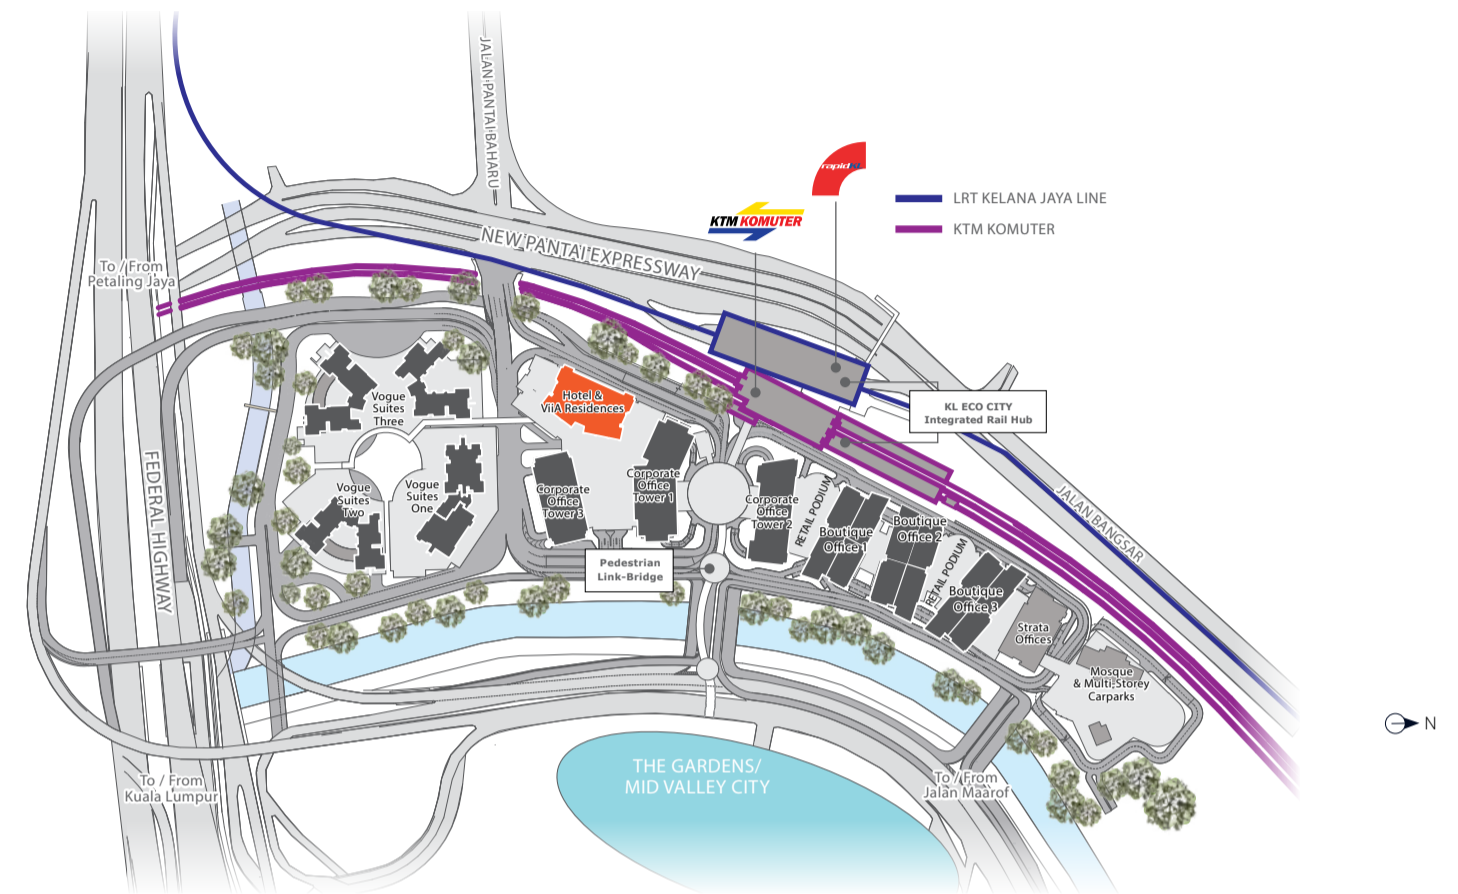

Relax at the water lounge, laze around at the poolside and stargaze from the viewing deck to soothe your mind and body.

ABSOLUTE CONNECTIVITY

A LOCATION CENTRAL TO EVERYTHING

KL Eco City offers a unique internal 2-tier road system that links you to Federal Highway, New Pantai Expressway (NPE), Jalan Bangsar and Jalan Maarof at multiple entry and exit points.

The new Integrated Rail Hub (LRT and KTM) brings you to virtually every destination. There is also a pedestrian link bridge that leads to a world of shopping at The Gardens and Mid Valley Megamall.

VERSATILE VARIANTS

THE LUXURY OF CHOICE

ViiA Residences consists of 326 units with a variety of 16 types ranging from 1-bedroom, 1+1-bedroom, 2-bedroom to 3-bedroom residences. Each layout is optimized for different functionality.

Artist's impression
